About the Theme

The Children’s Institute curriculum is built primarily on the seven basic principles of God’s Word that are highlighted in the Basic Youth Conflicts Seminar. Each set in the curriculum series will focus on a specific aspect of the Christian life as it relates everything back to these seven principles.

This set of curriculum from the Children’s Institute focuses on God’s blessings to us. God promises that He gives us all good things in Christ Jesus. But who defines what a “blessing” is?
